Your Ticket to Exciting Rewards.

Look for the **Rapid Fleet Rewards** sign at participating fueling sites.

Earning rewards on your fleet purchases has never been easier. Our program is hassle free. You're automatically enrolled when your new fuel account is set-up.* There's no special card to carry and no need to come inside the store. Just swipe your current fueling card and we do the rest.

Rewarding Products

Your fuel gallons are automatically converted to Rapid Fleet Dollars and deposited into your secure online account each month. Redeem your Rapid Fleet Dollars anytime for top selling products including electronics, home office, outdoor camping, collectibles, and more.

So Simple

You can check your Rapid Fleet Dollars balance anytime online. And because your Rapid Fleet Dollars are deposited into your account automatically, you know you're getting credit every time you fill-up.

Win Quarterly Prizes

Each quarter, all participating Rapid Fleet Rewards members are entered into a random drawing for spectacular prizes. Winners are featured in our quarterly Network News publication.
